Advertising Creative and Graphic Designer, driven by a desire to create expectation busting work and a love for logos, typography, and print design.

The projects I have worked on cover advertising, visual identity, print and digital design, and video editing in a range of industries from construction to fashion.

- 10 Years using the Adobe Creative Suite
- Windows and Mac literate
- Excellent layout and typographic skills
- Campaign ready concepts
- Broad knowledge in design and media
- Solo and Team orientated work
- Technically adept
- Dedicated to creating high quality work
